"A Sand County Almanac" Journal

Test

Essay Questions

1) Explain this statement with supporting quotes throughout the book and explain them: With science, one can comprehend and change nature, but never understand nature. We must understand nature before we comprehend it.

2) Explain freedom in the context of The Sand County Almanac. Explain the synergy of wilderness and how it transcends beyond language.

3) Do you feel humans are prison-makers taming the wild or are we protectors of the wild? Neither, both, or none, support your answer with specific quotes from the book.

4) How does one think like a mountain?

5) Describe two of your favorite passages in the book and explain why.
